## Twin Group Travel Ireland

We are delighted to announce that Twin Group Travel has expanded its ministay operations to Ireland and are taking bookings with immediate effect from both junior and adult groups. We offer a full-board package with host-family accommodation from 1 to 7 nights throughout Ireland - groups may choose to stay in one location or experience more of Ireland with a multi-centre tour.

**Dublin** - Ireland's capital needs little introduction. One of Europe's most vibrant cities, it is renowned for its beauty, friendliness, culture and, above all, its fun. Programmes are available in the Swords, Malahide, Sutton and Marino areas of Dublin.

**Galway City** - located on the western seaboard of Ireland in the heart of County Galway near the vast natural wilderness of Connemara, Galway City is renowned for its lively cultural scene and its medieval centre.

**Limerick** - a medieval city, built around the mouth of the River Shannon, in the south-west of Ireland, Limerick is an important port and historically significant with its castles, city walls and museums. Only a few miles away is Adare, considered to be the prettiest village in Ireland.

**Tralee** - in the far south-west of Ireland, close to Killarney, Tralee is the capital of County Kerry and pays host to the world famous Festival of Kerry. It is, of course, the inspiration for "The Rose of Tralee" one of the most popular songs about Ireland.

**Cork** - Ireland's second city with a population of over 160,000 and European Capital of Culture in 2005, Cork is built on an island in the River Lee and manages to combine the amenities of a large city with a pleasant and friendly atmosphere.

Twin Group Travel hopes to welcome your groups to Ireland soon. Please contact the Group Travel department to obtain excellent advice and ideas for your planned itinerary and a no-obligation quote.
